### Equipment Advisory Services

#### MTS Prepared

- Room Data sheets
- Transfer Assumptions
- Equipment Costs
- Equipment Report
- Equipment Budgets and Risks

MTS was commissioned to review the Trusts Schedule of Accommodation and create and work with the Trusts clinical users, a set of detailed room by room equipment lists.

MTS created and prepared the room data sheets for the Outpatients Block redevelopment phase 1 and costed all of the equipment to inform the overall business case.

MTS also conducted a brief strategic review of the transferring equipment to prepare the initial equipment budgets.
